

APOLLO

Automation

Apollo caters to your needs, not to schools or big city libraries. It was designed by practicing public librarians and their patrons. Our customers say Apollo:

"It's my dream catalog. Every feature we could think of is in Apollo."

Beth Wheeler Fox, Librarian of the Year 2006
Texas Library Association

- saves money
- reduces errors
- is a joy to use
- increases efficiency

"I love Apollo. Training new staff with no background in library work is so easy!"

Sharon Temple, Director
Lake Travis Community Library, Texas

We're devoted solely to small- and medium-sized public libraries

"Thank you so much for all you do to make our lives easier!"

Sandy Schultz
Liberty Hill Public Library, Texas

Delight Staff

- Assigns reserve and prints reserve wrapper automatically at check-in
- Uncluttered by school library features
- Self checkout capability with only a PC and a scanner
