SYNDETICS UNBOUND:

A dynamic showcase for your collection; helping readers find what they like. It's affordable and all you do is say go; we do the rest. You'll get some mix of these on most titles:

PREMIUM COVER SERVICE

Syndetics Unbound offers the most comprehensive cover database in existence for libraries — over 25 million full-color cover images for books, videos, DVDs, and CDs, with thousands of new covers added every week. If a cover is missing for an item, Covers are shown on the staff side too, like in the Reserve Search List.

SUMMARY

Over 18 million summaries and annotations covering fiction, non-fiction, and both trade and scholarly titles. Thousands of summaries are added each week.

YOU MAY ALSO LIKE

Provides sharp, on-the-spot readers' advisory in your catalog, with the option to browse a larger world of suggestions, drawn from LibraryThing members and big-data algorithms. As with other enrichments, Syndetics Unbound only recommends items that your library owns.

Look Inside

THE DOG

After Li Yan put the baby down, she joined her husband at the rough table. He was reading *People's Daily* in the brown light of a bare bulb dangling from the ceiling. Li Yan opened her English textbook and began to read a dialogue. It was still early but she was worn out and had trouble focusing on the words. Pretty soon she looked up and said, "Chen Wei, do you want some tea?"

From behind the paper he said no.

"Okay. It's no trouble. I'll make you some anyway."

"Fine," he said, "Just not too many leaves."

Booklist   December 15, 2012

The prolific Paulsen has teamed up with his son in this story about a life-changing journey for 14-year-old Ben and his family. When Ben's dad drags him along for a trip to adopt another rescued border collie, they bring Atticus, their beloved canine who already thinks he's a human member of the family. Atticus gives his own perspective on their progress at the (read more)

READER REVIEWS AND RATINGS

Includes more than 1.7 million vetted reader reviews from LibraryThing members. It also allows patrons and librarians to add their own ratings and reviews, right in their library's catalog, and then showcase them on a library's home page and social media.

TAGS

The Tags element updates LibraryThing's celebrated tag clouds — redesigning them toward simplicity and consistency. Based on over 141 million tags created by LibraryThing members, tags are hand-vetted by our staff librarians for quality. A new exploration interface allows patrons to combine and filter tags, to focus in on the genres, subjects, and other categories they want most.

ALSO AVAILABLE AS

Help patrons find other available formats and versions of a title in your collection, including paper, audio, ebook, and translations.
BOOK PROFILE

A newly dynamic version of what Bowker has done for years — analyzing thousands of new works of fiction, short story collections, biographies, autobiographies, and memoirs annually. With Syndetics Unbound every term is clickable, and patrons can search and browse over one million profiles.
AWARDS

Highlights the awards a title has won, and helps patrons find highly-awarded books in your collection. Includes well-known awards, like the National Book Award and the Booker Prize, but also smaller awards like the Bram Stoker Award and Oklahoma's Sequoyah Book Award.
